Beautiful home on over a 1/2 acre lot in The Estates with an RV garage! Spacious great room with a wall of windows on each side of the gas fireplace that bathe the room in natural light. The kitchen will delight any chef with double ovens, in-island microwave, 36" gas cooktop with externally vented range hood and upgraded dishwasher. The dining area provides ample space for a 6-8 person table and is open to the living room. The finished basement has 9' foundation walls giving it a nice open feel and provides a large rec room for game or movie night. The 13x12 covered patio has a pre-installed gas line to make grilling super easy! There is a 2-car garage with 4' front extensions for longer vehicles, plus a 48' deep RV Garage! A brand-new home that is ready for move-in! [The Monarch Plan](#) MLS #7998969
