Primary Suite Retreat with spacious 5-piece bath, double closets, and a sitting area with coffee bar and French doors that lead to the covered balcony with mountain views! The main level offers a study near the front entrance, a separate dining room plus breakfast nook, a convenient half bath, and a great room with gas stone fireplace and abundant windows. The chef's kitchen has a KitchenAid 36" commercial-style gas range with 6 burners, external vent range hood, plus a built-in microwave/oven combo, and upgraded dishwasher. The upper level has 3 additional bedrooms, a full bath and the laundry room. The finished basement has 9' foundation walls giving the space an open feel. The large rec room includes a wet bar and is perfect for movie nights and entertaining. There is also a fifth bedroom with a walk-in closet, and a full bath. The 16x10 covered patio has an installed gas line to make grilling a breeze! The 3-car garage has a tandem space perfect for a small car, motorcycles, tools or toys. This is a unique plan with much to offer and a definite "must see." *Thoreau Plan. MLS #4239613*
