**Finished Walkout Basement!** Luxury vinyl plank flooring ties the main living area together and compliments the open plan. The stacked stone gas fireplace with stained box mantel creates a beautiful focal point. Delicious creations are inspired by the gourmet kitchen with upgraded appliances that include a 36" gas cooktop, double oven/microwave, refrigerator and upgraded dishwasher. The 15x10 covered deck with installed gas line is perfect for BBQs and summer fun! Relaxing is easy in the luxurious master suite with a soaking tub, spacious shower and double vanities with quartz countertops. Downstairs, the finished basement has 9' foundation walls, two bedrooms and a bath, and a large rec room with wet bar. It's also a walk-out, making it easy to entertain and offer indoor and outdoor gathering spots. The expanded 3-car garage offers plenty of space for trucks, tools and toys.
