**Garden-level basement with a 16x10 covered deck that offers Peak views.** The kitchen is open to the living and dining nook and features a spacious island with quartz stone and a beautiful backsplash, walk-in pantry, and a KitchenAid appliance package with a 36" gas cooktop with an external vent hood and an oven/microwave combo. This home comes with beautiful interior finishes to include stacked stone and a stained box mantle on the gas fireplace, and luxury vinyl plank floors in the main living areas. The custom master bath includes a large shower with Euro glass enclosure and a tub. The primary suite is on the upper level, as well as a loft and two additional bedrooms. There is one bedroom and a full bath on the main level. The rec room has a wet bar and is pre-wired for surround sound that will be perfect for movie nights and entertaining. There is a bedroom and bath on this level as well. The 3-car garage also has a tandem space perfect for motorcycles, small cars, toys or tools. The covered deck has an installed gas line for your grill or for your patio heater. *Hemingway Plan. MLS #7086690*
