Using a Premier Lender

What's the Benefit?

At Campbell Homes, we offer **huge buyer incentives** when a home buyer uses one of our two premier lenders. One might think this means we get some kind of "kick-back." That is absolutely not the case. What we do get (and you get too) is a smooth transaction with all the T's crossed and all the I's dotted. Working with a lender who knows our processes and the timing of the many moving parts, makes for great communication and less headaches, not to mention they have highly competitive rates! All of this helps create a wonderful home buying experience and a happy homeowner - and that is the only "kick-back" we get, and to us that is priceless!

*Use a premier lender and get
valuable buyer incentives plus competitive rates!
Experience makes a difference.*
