This contemporary home offers a main level primary suite with large walk-in shower, an open plan with an 18' ceiling in the great room, a beautiful kitchen that includes 42" upper cabinets with crown molding, an island, pantry, and 30" double oven gas range, microwave and quiet-rated dishwasher. There is also a half bath on the main level convenient for guests. Outdoor living is easy with a 20x15 patio off the dining area that even has an installed gas line to make grilling a breeze! The finished basement has a 25x14 rec room perfect for movie or game nights, and there is a loft on the upper level. Other features include luxury vinyl plank flooring in the main living areas, wrought iron balusters and air conditioning. *Tucana Plan, MLS #1230769*
