Light and bright two-story home that features an open layout and a spacious kitchen that includes a walk-in pantry, 42" upper cabinets, a 30" double-oven gas range, and ample storage. A large island provides the perfect space for meal prep or casual dining. The kitchen flows into the dining and living areas, creating a relaxed and inviting atmosphere. Luxury vinyl plank flooring throughout the main living area adds both beauty and durability. A sliding door off the dining area leads to the **20'x12' patio with installed gas line**, making outdoor grilling and entertaining easy. The main level also features a convenient laundry room and half bath. Upstairs, a versatile loft accompanies the spacious primary suite with custom shower, along with two additional bedrooms and a full bath. The finished basement offers two more bedrooms, a full bath, a rec room for game nights, and extra storage. A 3-car garage, air conditioning, and **Pikes Peak views from the upper level** complete this exceptional home.
