

What Is An After Hours Emergency?

An After Hours Emergency occurs on weekends, holidays, or between the hours of 5:00 PM and 8:00 AM on typical business days and includes:

Total loss of heat, water, or power

A water leak that will not stop

Any other situation that could cause bodily harm or significant damage to your home

Campbell Homes Contacts

In the event you are experiencing an After Hours Emergency, immediately contact the appropriate Trade Partner. After contacting the Trade Partner, contact your Customer Care Representative as soon as possible.
